

Date: 13th June 2020

Circular No: 039/YIS/AS/20-21/039

Dear parents,

SUB: YARA ONLINE CLASS SURVEY RESULTS

At the outset, I would like to thank our parent community for participating in the Online Class Survey-June 2020. The survey results have reiterated that even during these hard times, YIS has maintained its protocol of delivering quality education. Further, it has also given us an insight into the areas which need improvement on which actions have been taken.

Survey Result Summary is enclosed herewith for your read-through. For class wise analysis, you may please visit our website <https://www.yaraschool.net/cbse/YaraOnlineClassSurveyResults-June2020.pdf>.

Based on your feedback, we have made following amendments for the better conduct of Online Classes:

- Break time has been extended to 30 minutes.
- Duration of each period has been reduced to 35 minutes.
- From grade VI and above, we are flexible with the copying of notes practice. Since we have a mixed response from the parents, children of these classes will have the freedom to decide either to maintain printed notes in a proper file or copy notes in their note books.
- Assigning moderators in Grade V and VI is also under review.

You are requested to follow our FB page, YouTube page and website to keep abreast with Yara News and for other important announcements and circulars. Your encouragement & appreciation is important for the teachers to maintain the momentum of virtual teaching. At the same time, your constructive suggestions are also welcome. Keep sending your valuable feedback as we continue to augment our educational services.

Stay Home, Stay Safe, Stay Positive!

Regards,

Mrs.Aasima Saleem
