

MONTHLY WRAP-UP!

MARCH 2025

"March is a reminder that change can be beautiful."

PATH TO EXCELLENCE: CONTINUOUS PROFESSIONAL DEVELOPMENT FOR TEACHERS

On 19th March 2025, Yara International School organized an insightful and engaging training session for the teaching staff, focusing on the theme "Continuous Professional Growth and Skill Development." The session took place in the Boys Section Auditorium, with Mrs. Jasna Shan as the resource person.

Mrs. Shan shared valuable insights on the importance of continuous professional growth and how it contributes to both personal and career development. She provided practical strategies for enhancing teaching skills, staying updated with educational trends, and fostering a growth mindset within the classroom. The session also emphasized the role of self-reflection, ongoing learning, and collaboration in a teachers' professional journey.

The interactive discussions, case studies, and real-life examples made the session engaging and thought-provoking, encouraging teachers to reflect on their practices and explore new methods to enhance their skills.

Overall, the session was a great success, leaving the teaching staff motivated and equipped with actionable strategies to continue their professional growth and improve the quality of education they provide. The session ended with a note of gratitude to Mrs. Jasna Shan for her expert guidance and to all participants for their active involvement.

BOOK DISTRIBUTION FOR 2025-26

The Books Distribution for Nursery to Grade IX and Grade XI students, was scheduled from 16th March to 20th March 2025. The process went smoothly, and all students received their books as per the scheduled sessions.

With the availability of both morning (10:00 AM to 2:00 PM) and evening (8:00 PM to 11:00 PM) timings, the distribution was accessible for all families, ensuring convenience for those with different schedules.

The books were distributed at Gate No. VII, and the venue at the Annex Block was well-organized to accommodate the large turnout.

We would like to thank all the parents and students for their cooperation and patience throughout the process. We are confident that this will provide a smooth start to the upcoming academic year, and we look forward to another successful year of learning ahead.

UNITY IN TRADITION: IFTAR WITH OUR SCHOOL FAMILY

The Iftar Party for the staff, held on 6th March 2025, was a memorable and delightful occasion. It brought together the school staff in a warm and welcoming atmosphere to celebrate the spirit of Ramadan.

The evening was filled with joy, camaraderie, and reflection, as colleagues shared a delicious spread of traditional Ramadan dishes. The event allowed everyone to connect, relax, and enjoy each other's company, fostering a stronger sense of community within the school.

**YARA INTERNATIONAL
SCHOOL, RIYADH**

Welcome to The World of Technology!

Congratulations to
Yara International School ,Riyadh for integrating
Artificial Intelligence, Coding, IoT, and Robotics into our
curriculum, preparing students to transition from users to
creators of technology!

NEW COMPUTER SCIENCE OFFERINGS IN THE ACADEMIC YEAR - 2025-26

Yara International School is thrilled to announce an exciting new addition to its Computer Science curriculum for the upcoming academic year! We are integrating Cyber Square into our program, which will provide students with a comprehensive foundation in key areas such as Artificial Intelligence (AI), the Internet of Things (IoT), Coding, and Robotics.

This dynamic curriculum aims to equip students with essential 21st-century skills, preparing them to thrive in an increasingly digital world. The hands-on learning experience will allow students to dive deep into technology through engaging projects, real-world applications, and opportunities to continue developing their ideas and computer projects from home.

To celebrate this milestone, we will also be launching our Digital Fest—a platform shortly where students can showcase their tech skills, innovative ideas, and digital creations. This event will foster collaboration, healthy competition, and creativity, offering a chance for students to shine in the world of technology.

Through Cyber Square and the Digital Fest, students will gain invaluable experience and inspiration, sparking a lifelong curiosity and passion for technology and innovation. This new initiative will open exciting doors for students, helping them build the skills they need for the future.

The future is digital, and we can't wait to see the incredible tech talents that emerge from this new curriculum!

A NEW CHAPTER: EMBRACING DIVERSITY IN LEARNING

We are thrilled to announce a major academic leap forward this year! In our constant pursuit of excellence and student empowerment, we've expanded our academic offerings to open up new horizons for every learner.

The Humanities stream—a favourite among students in the past—has now been reintroduced alongside our Commerce and Science streams, reigniting opportunities for those passionate about literature, history, sociology, and the vibrant world of social sciences.

Adding to the excitement, we've also introduced two dynamic optional subjects:

Psychology – for curious minds who love to explore human behaviour and thought.

Physical Education (now available for girls too!) – promoting holistic well-being and active lifestyles for all.

These additions mark a bold step forward in providing a more personalized, inclusive, and future-ready learning experience for our students.

SCIENCE

- Physics, Chemistry, Mathematics (PCM)
- Physics, Chemistry, Biology (PCB)
- Physics, Chemistry, Mathematics, Biology (PCMB)

COMMERCE

- Accountancy, Business Studies, Economics

HUMANITIES

- History, Economics, Sociology

ELECTIVES

- Computer Science
- Physical Education
- Fine Arts, Mathematics
- Psychology
- Applied Mathematics
- Entrepreneurship

A YEAR OF ACCOMPLISHMENTS

The recently concluded academic year at Yara International School stands as a testament to dedication, hard work, and success. The school closure marks the end of a year filled with notable achievements in academics, sports, and extracurricular activities, as well as significant moments of personal growth and community spirit.

Throughout the year, students excelled in various fields, while staff members consistently created a supportive and nurturing environment. This success is a result of the strong collaboration between parents, teachers, and students, all of whom contributed to the school's thriving atmosphere.

As the school community takes time to recharge during the break, there is much anticipation for the new academic year. The accomplishments of this year have laid a solid foundation for continued growth and success in the coming year.
