Dear Parents,

### Sub : Career Guidance Resources for Students and Parents

Career guidance plays a crucial role in empowering students to make informed decisions about their future. In today's evolving and dynamic job market, collaboration between schools, parents, and stakeholders is essential to equip students with the right tools and insights for meaningful career choices.

To support this endeavor, CBSE has shared the **"Parents' Handbook on Careers after School in India"** by Shri Mohit Mangal. This comprehensive guide provides valuable insights and practical advice to help students explore career options effectively.

Additionally, CBSE has compiled the **Entrance Exams 2025 Guide** and **21 Higher Education Vertical Books**, which serve as essential references for students. These resources provide structured guidance on various academic and professional pathways.

Students and parents are encouraged to access these valuable materials at the following link:
